No building shall be erected, altered or permitted to remain on any lot other than one detached single-family residential dwelling not to exceed two (2) stories in height, and a private garage for not more than three cars and bona fide servants quarters, which structure shall not exceed the main dwelling in height or number of stories.

2. No building improvements of any character shall be erected or placed, or the erection of begun, or change made in the design thereof after original construction, on any lot until the construction plans and specifications and a plan showing the location of the structure or improvements have been submitted to and approved by First or its assignee hereinafter provided for as to compliance with these restrictions and as to quality of materials, harmony of external design with existing and proposed structures, and as to location with respect to topography and finish grade elevation. In the event First fails to approve or disapprove within thirty (30) days after receipt of the required documents, approval will not be required and the related covenants set out herein shall be deemed to have been fully satisfied.

3. The living area of the main residential structure, exclusive of open porch, garage and servants quarters shall not be less than 1400 square feet for a one story dwelling nor less than 1850 square feet for a structure of two (2) stories. The exterior material of the main residential structure shall be not less than fifty-one per cent (51%) masonry.

4. No building shall be located on any lot nearer to the front line or nearer to the street sideline than the minimum building setback line shown on the recorded plat. No building shall be located on any lot nearer than ten (10) feet to any side or rear street line. Subject to the provisions of Paragraph 5, no building shall be located nearer than five (5) feet to an interior lot line, except that a garage or other permitted accessory building located seventy-five (75) feet or more from the front line may be a minimum distance of three (3) feet from an interior lot line. For the purpose of this covenant, eaves, steps, and unroofed terraces shall not be considered as part of a building, provided however, that this shall not be construed to permit any portion of the construction on a lot to encroach upon another lot.

5. Any owner of one or more adjoining lots (or portions thereof) may consolidate such lots or portions into one building site, with the privilege of placing or construction improvements on such resulting site, in which case setback lines shall be measured from the resulting side property lines rather than from the lot lines as indicated on the recorded plat. Any such composite building site must have a frontage at the building setback line of not less than the minimum frontage of lots in the same block.

6. Easements for installation and maintenance of utilities are reserved as shown and provided for on the recorded plat, and no structure shall be erected on any of said easements. Neither First nor any utility company using the easements

7. No activity, whether for profit or not, shall be carried on on any lot which is not related to single family residence purposes. No noxious or offensive activity of any sort shall be permitted, nor shall anything be done on any lot which may be or become an annoyance or nuisance to the neighborhood.

8. No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other outbuilding shall be used on any lot at any time as a residence. Temporary structures used as building offices and for other related purposes during the construction period must be inconspicuous and sightly.

9. No oil drilling, oil development operations, oil refining, quarrying or mining operations of any kind shall be permitted upon or in any lot, nor shall any wells, tanks, tunnels, mineral excavations or shafts be permitted upon or in any lot. No derrick or other structures designed for use in boring for oil or natural gas shall be erected, maintained or permitted upon any lot.

10. No animals, livestock, or poultry of any kind shall be raised, bred or kept on any lot, except that dogs, cats or other common household pets may be kept provided they are not kept, bred, or maintained for commercial purposes.

11. No wall, fence, or hedge in excess of three (3) shall be erected or maintained nearer to the front lot line than the walls of the dwelling erected on such lot. No side or rear fence, wall, or hedge shall be more than six (6) feet high.

No object or thing which obstructs sight lines at elevations between two (2) and six (6) feet above the roadways within the triangular area formed by intersecting street property lines and a line connecting them at points twenty-five (25) feet from the intersection of the street lines (or extensions thereof) shall be placed, planted, or permitted to remain on corner lots.

12. The drying of clothes in public view is prohibited, and the owners or occupants of any lots at the intersection of streets or adjacent to parks, playgrounds, or other facilities where the rear yard or portion of the lot is visible to the public shall construct and maintain a drying yard or other suitable enclosure to screen drying clothing from public view.

13. The owner or occupants of all lots shall at all times keep all weeds and grass thereon cut in a sanitary, healthful and attractive manner, and shall in no event use any lot for storage of material and equipment except for normal residential requirements or incident to construction of improvements thereon as herein permitted, or permit the accumulation of garbage, trash or rubbish of any kind thereon, and shall not burn anything except by use of an incinerator and then only during such hours as permitted by law. All clothes lines, yard equipment, woodpiles or storage piles shall be kept screened by a service yard, drying yard or other similar facility as herein otherwise provided, so as to conceal them from view of neighboring lots, streets, or other property.

In the event of default on the part of the owner or occupant of any lot in observing the above requirements, or any of them, such default continuing after ten (10) days written notice thereof, First or its assignee, may without liability to the owner or occupant, in trespass or otherwise, enter upon said lot, or cause to be cut, such weeds and grass, and remove or cause to be removed such garbage, trash, and rubbish or do any other thing necessary to secure compliance with these restrictions, so as to place said lot in a neat, attractive, healthful, and sanitary condition, and may charge the owner or occupant of such lot for the cost of such work. The owner or occupant, as the case may be, agrees by the purchase or occupation of the property to pay such statement immediately upon receipt thereof.

14. No sign, advertisement, billboard, or advertising structure of any kind other than a normal for-sale sign may be erected or maintained on any lot in said subdivision. First or its assignee shall have the right to remove any such sign, advertisement, or billboard or structure which is placed on said lots, and in so doing shall not be subject to any liability for trespass or other tort in connection therewith, or arising from such removal.

15. The digging of dirt or the removal of any dirt from any lot is expressly prohibited except as necessary in conjunction with the landscaping of or construction on such lot.

16. First hereby retains the right to assign its rights to approve or disapprove plans and specifications, location of structures, construction contracts and all other necessary documents, or approvals required to be submitted to it, to an architectural control committee which may be appointed annually by the Board of Directors of Ashford Community Association, Inc.

17. There is to be imposed on each lot in Ashford West Section Two, an annual maintenance charge to be paid to Ashford West Community Association, Inc. to be applied, so far as sufficient, toward the payment of expenses incurred in lighting, improving, and maintaining streets, park area, vacant lots, a swimming and recreational club, garbage and rubbish removal and any other thing necessary or desirable in the opinion of Ashford West Community Association, Inc. to be of general benefit to the owners or occupants of the above described property. Appropriate recitations in the deed conveying each lot will evidence the retention of a vendor's lien by First for the purpose of securing payment of said charge, assigned to Ashford West Community Association, Inc. without recourse on First in any manner for the payment of said charge and indebtedness.

18. The covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of forty (40) years from the date these covenants are recorded, after which time said covenants shall be automatically extended for successive periods of ten (10) years unless an instrument signed by a majority of the then owners of the lots has been recorded, agreeing to change said covenants in whole or in part.

19. Enforcement shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenant either to restrain violation or to recover damages.

20. Invalidation of any one of these covenants by judgement or court order shall in no wise affect any of the other provisions which shall remain in full force and effect.
